Gate Attendant Openings at Lake Shelbyville

Lake Shelbyville - The U.S. Army Corps of Engineers is looking for people interested in becoming campground gate attendants at Lake Shelbyville. All contract gate attendant positions at Lake Shelbyville are being re-bid for the 2012 recreation season. The work periods for these positions vary. Some of the positions have work periods which run from April 9 through October 28, 2012, while others run from May 9 through September 4, 2012.

Services performed by gate attendants include greeting and registering campers, collecting camping fees, and operating the campground entrance station fee booth. Gate attendant contracts at Lake Shelbyville require two (2) people to perform the work. The individuals chosen for these positions will attend a three (3) day computer training session and a two (2) day gate attendant orientation before beginning work in the campground fee booth. The training and orientation will be provided by the Corps of Engineers at the Lake Shelbyville Visitor Center.

A full hookup campsite will be provided for the gate attendants selected to perform this work. Gate attendant campsites include water, sewer, and 50-amp electrical service. Gate attendants must provide their own self-contained camping unit and are required to reside in the campground on days they are scheduled to work.

Persons interested in gate attendant work must be registered in Central Contractor Registration (CCR) before gate attendant jobs can be awarded to them. Gate attendant positions are paid positions. Interested individuals are required to submit an hourly bid price for the work to be performed and must be able to obtain a bond. Bids for these positions will be accepted through February 15, 2012. To obtain a bid package, individuals should go to the Corps' Contracting website <http://www.mvs.usace.army.mil/ct/FBOSols.htm>. **Once at this site click on Solicitation #W912P9-12-T-7024.** If you are unable to obtain the Lake Shelbyville Gate Attendant bid package from the Internet please contact Ms. Debbie Warner at 314-331-8527 and request that a bid package be mailed to you.

If you have questions regarding gate attendant work at Lake Shelbyville, or becoming registered in CCR, please contact Park Ranger Steve Summers at 217-774-3951, extension 7020, or email stephen.w.summers@usace.army.mil.
