Road Closer at Forest “Bo” Woods Boat Ramp and Day Use Area

Lake Shelbyville – The U.S. Army Corps of Engineers will close the road accessing the Forest W. “Bo” Wood boat ramp and day use areas for road resurfacing. The road will be closed to all vehicle and pedestrian traffic on Monday, September 7, 2015 at 10:00pm and will reopen on Thursday, September 10, 2015 at 8:00am. This closure is necessary to provide safety for workers and members of the general public while the road is resurfaced. Access to the Forest W. “Bo” Wood campground will not be affected. Lake users may utilize alternate boat ramps within the Whitley Creek and Wilborn Creek recreation areas. For additional information, contact the U.S. Army Corps of Engineers Lake Shelbyville Project Office at (217) 774-3951.
